Create your Login Profile...

The screenshot shows a web form titled "Create Profile" with a sub-header "Create Username & Password". The form contains several input fields: "Email Address*", "Password*", "Re-type Password*", "Security Question*", "Answer*", "Phone Number", and "Phone Type". A checkbox labeled "Use Email Address as Username." is checked and highlighted with a red rectangle. Below this checkbox, a note states: "* Your email address will be your username to log into the portal. [What if I don't have an email?](#)". At the bottom of the form are "Clear" and "Submit" buttons.

You can access both the mobile app & Member Portal with the same Login

- Username (can be same as Email)
- Password
- Security Question
(Can create your own personalized question)
- Email*, cell phone or phone number

*Recommend to use personal email.
Multiple profiles cannot be registered to the same email.
